Hello,

Below is my written comment:

In regards to amendments proposed to Rule 23.1.3:

This is a time when we need to be building up transparency and trust in our elections. Jena Griswold is changing rules to limit bipartisan input. Her proposed amendments would allow her to unilaterally decide that the Bipartisan Election Action Committee will only meet if she says so. All Coloradans, regardless of their political party, need to have faith in our electoral system. By limiting bipartisan feedback on our elections, the Secretary has undermined that trust and contributed to increasing partisanship in Colorado.

Thank you,
Kristi Burton Brown
