Good morning,

Given the current nature of the findings that have come out of multiple states, the rule changes being proposed are nothing short of outrageous and an insult to our democratic republic.

These rules further undermine any sort of election integrity while driving a wedge between Colorado voters and our elected officials. I demand that the rulemaking committee void these rule changes in order to guarantee CO citizen's rights to free, fair, and transparent elections. I have attached a signed copy of a legal petition to enforce my concern for this power grab.

Thank you,

Mery Casady
