I would like this submitted into the record as my submission of statement to the August 3 election rule making hearing. I am a citizen of Colorado Springs, CO., as well as a registered voter. I demand a full forensic audit of our 2020 Nov. Presidential election.

Hello,

As a citizen of Colorado, Colorado Springs, I demand a full forensic audit of the November 2020 Election.

I also demand that the relationship between Dominion and members of the SoS office be looked into.
