To Whom it May Concern,

Colorado elections belong to the people. Unfortunately, SecState Griswold does not agree. In her June 17th emergency rules proclamation, Griswold unilaterally attempted to block election transparency in our state.

This action is unethical, legally questionable, and outrageous. I demand SecState Griswold void her emergency rules on election audits in order to guarantee CO citizen's rights to free, fair, and transparent elections.

Attached you will find my petition.

-April Morganroth

Lakewood/Golden, CO resident.
