**Subject:** [EXTERNAL] Please retain Voter ID  
**Date:** Wednesday, August 4, 2021 7:34:17 PM

---

In today's world an ID is required for travel, writing checks, entering buildings & military bases and dozens of other areas. So we should retain it for one of our most important roles in society: voting. The ONLY reason to not require it is to enhance cheating. Please have integrity & maintain Voter ID requirements ! PLEASE!
