To All Those May Concern,

Jena Griswold took an oath to uphold the Constitution of the United States of America. By making a bold statement stating there will be no election audit, she defies all fair and equal opportunity for this to be investigated. She is violating laws made by the people and for the people ensuring a fair election. This further shows fraud is probable if she's going to seal the proverbial box without consideration.

Colorado elections belong to the people. Unfortunately, SecState Griswold does not agree. In her June 17th emergency rules proclamation, Griswold unilaterally attempted to block election transparency in our state.

This action is unethical, legally questionable, and outrageous. I demand SecState Griswold void her emergency rules on election audits in order to guarantee CO citizen's rights to free, fair, and transparent elections.

Sincerely,
Jennifer J Simon
