To Whom it May Concern,

Colorado elections belong to the people. Unfortunately, Secretary of State Griswold does not agree. In her June 17th emergency rules proclamation, Griswold unilaterally attempted to block election transparency in our state. This action is unethical, legally questionable, and outrageous. I demand Secretary of State Griswold void her emergency rules on election audits in order to guarantee CO citizen's rights to free, fair, and transparent elections. Attached please find a copy of the petition submitted via registered mail to the office of the Colorado Secretary of State as well as my elected representative and senator.

Sincerely,  
Patricia A. Leone
