**EXCELLENT VIDEO:
'The Election Group's'
Jennifer Morrell's
Discussion of Proper
Election Activities Is
Compared with What
Actually Happened in 2020
Election**

In a video from before the 2020 Election, far-left founder of ‘The Election Group’ Jennifer Morrell discussed the controls that should be in place during an election. Her comments were compared to what really happened in the corrupt 2020 Election providing more evidence the election was stolen.

We’ve reported on Jennifer Morrell repeatedly since the 2020 Election. She was seemingly everywhere before and after the election where corrupt results were counted.

Below is a video of Morrell providing information on what is expected of election personnel during elections compared to what actually occurred. Watch the [video](#):

Here is the original video where Morrell is discussing

election rules:

Jennifer Morrell proves that an individual might know how an election is to proceed but may use this knowledge to steal an election.
