Subject: [EXTERNAL] ELECTION RULEMAKING - RULES COMMENTS
Date: Monday, August 9, 2021 3:17:29 PM

THERE is so much wrong with this rulemaking it needs to be REDLINED throughout as follows and WHY is the SOS trying to take over the position of our ELECTED county clerks? This is an obvious takeover of individual county responsibilities and should not be allowed to move forward.

I am in total objection to the entire package and it needs to be wadded up and used as a floor mop.

Respectfully, Carrie N Miller

WINNER! Best of the High Country 2021!
