Subject: [EXTERNAL] Colorado Election Process
Date: Sunday, August 8, 2021 6:14:15 PM

To Whom This May Concern:

I'm writing in opposition of Jena Griswold's intent to make changes to the Colorado election process. I believe the changes will hurt our country and not bring unity. Please do all you can to strengthen the trust and accountability of our elections. I am neither a registered Republican nor Democrat, I truly care about our country and want to see the people come together for the betterment of all.

Thank you,

Chanler Shank
Estes Park, Colorado
