Dear SOS,

I am at a loss for words as to what has happened? Please reconsider this monumental mistake.

Given the current nature of the findings that have come out of multiple states, the rule changes being proposed are nothing short of outrageous and an insult to our democratic republic and to my business, my kids, me? Do you not realize how blatantly wrong this is?

These rules further undermine any sort of election integrity while driving a wedge between Colorado voters and our elected officials. I demand that the rulemaking committee void these rules changes in order to guarantee CO citizen's rights to free, fair, and transparent elections.

I have attached a signed copy of a legal petition to enforce my concern for this power grab.

Thank you,

Sherrel White
