Subject: [EXTERNAL] CPF Rulemaking Hearing - 9/15/2022
Date: Wednesday, August 17, 2022 11:03:10 AM

To Whom it may concern:

I would like to address campaign contributions required to be paid with annual dues. Why is it allowed to be required to pay them? This requirement by NAR does infringe on religious views such as the Jehovah Witnesses Religion. According to their religion, they are not to engage in any political activities. Why is NAR allowed to require the contributions from its members?
